

Weekly Study

We hope you all had an awesome Easter weekend with our Red Rocks Church family as well as with those closest to you. This week we encourage each group to talk about the Good News of the Easter message and how it continues to deeply root in our lives. We are hopeful that you all experience much life as you go around and share what God has been doing in and through your life.

To start, pick two of these and share with the group...

- **Something hilarious that happened this week**
- **A great moment or a high for you this week**
- **A tough situation or low for you this week**

What was one thing that stood out to you most from this week's message and why?

Was there a verse or a story that was particularly impactful from the message?

Describe the season of life that you are in right now? What are you learning? What are you being stretched in?

What is standing in your way of becoming the person God wants you to become?

Is there something you feel God is asking you to start doing or something you need to stop doing?

This week, how can you begin to apply what you learned from this weekend's message?

Pray as a group. As a group, pick one or two topics below and be intentional about asking God to act and intervene in the situation:

- Share about something you or someone you know needs prayer for and then once everyone shares, pray for the person on your right.
- Who is one person you know that doesn't know Jesus, let's pray for them by name and find ways to get to know them better and ask God for opportunities to share with them the gospel.
- Think of a few things that you can thank God for in prayer, remembering the things He has already done in your life.
