Projects Underway:

The Austin team raised additional funds through merchandise sales and have a developing relationship with a prison in Gatesville, TX. They are hoping to launch a GBB Texas location in early 2022.
- RRC Bike Initiative - Preliminary conversations with our international partner have taken place to discuss the previous bike design limitations and identify next steps.

Prayer from Pastor Shawn:

On behalf of Jill and I and the entire Red Rocks church staff, thank you for your generosity over the last four months. As we head into the fall season, my prayer for you and your family is:

- That God would bless you in ways you couldn't even imagine, as your generosity has been such a life altering blessing to hundreds of thousands of people literally around the world.
- That you would really begin to realize the purpose and destiny on your life, and when you hear things like LAST WEEK 248 PEOPLE GAVE THEIR LIVES TO GOD (which actually happened!) you would realize I'M A PART OF THAT!
- That as you pursue your God-given calling, and continue to make a difference in the Kingdom of God, that this verse would ring so true in your life right now no matter what you may be facing:

"May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit." - Romans 15:13

We are amazed at what we have been able to accomplish this year through our church and through partnerships locally and around the world. We are looking forward to continuing to build God's Kingdom and see His church advance together. - Shawn Johnson
