

HOW TO SAVE THE WORLD! RED ROCKS KIDS

PRETEEN
APRIL 2025

MONTHLY OVERVIEW

OVERVIEW:

This month, students will learn all about grace in this series called “How to Save the World.” In our first week, students will learn what grace is (getting something good we don’t deserve). In week two of our series, students will learn how to share the grace that God gives us with others! The next week, we’ll celebrate our resurrected King together for Easter! Students will learn how Jesus saved the whole world. We’ll celebrate the fact that God’s grace saves us from our sin. The last week of the month, we’re kicking off our Baptism series by learning the meaning of baptism.
