

PREK MONTHLY OVERVIEW

AUGUST 2025

This month, our preschoolers will journey through the incredible story of creation and discover the truth that God made everything! From light and sky to animals and people, we'll celebrate the beauty and intentionality of God's design. As we explore each day of creation, preschoolers will be reminded that the same God who made the sun, moon, and stars also made them, and He called it all very good!

Through hands-on activities, storytelling, and worship, we'll help preschoolers see God as the loving Creator who made the world and everything in it. More importantly, they'll learn that they are God's handiwork, made on purpose and deeply loved. Our hope is that this truth will begin to take root in their hearts and spark a sense of wonder and gratitude that lasts a lifetime!
